Dance of Time (Tales of the Citadel Book 53) Viola Grace

Zeze joins the Citadel at age eleven, with a colourful history behind her. Her skills grow with every year, and in a decade, her ability to stop time in a confined area draws the attention of the Sector Guard.

Immune is paired with the young woman with the dark past, and he sets his mind to keep her under control and save the innocents she might sweep away with her actions.

Somewhere in the mire of distrust, a partnership is formed. The partnership has the potential to grow into something else, but resentments and accusations will slow the development.
