Following the Paris opera house disaster, Erik, the charismatic and disfigured man known as the Phantom, settled into a secluded home on the outskirts of London. He resigned himself to a life of solitude, but two years later, fate introduced him to a young woman who reawakened his emotions. Although Mellie was a gifted composer, no one took her work seriously. She recognized Erik's brilliance and was desperate for his help. Drawn to both the man and his talent, she made a bold proposition, and he accepted. Together, they forged a unique partnership that became the talk of London society. But when Erik's past returned to haunt him, he could lose everything he'd gained in his new life - including Mellie. Deception is a tale of loss, healing, and ultimately of love.
