Hockey might be the family business, but it's never interested Silver. Until her father's health decline thrusts responsibility for the team he owns straight into her hands. Which means standing up to Dean Richter, the general manager and the advisor her father has forced on her. The fact that their 'business relationship' started with her over his lap at his BDSM club shouldn't be too much of a problem. Landon Bower, the Cobras new Goalie slips into her life and becomes her best--and only--friend. The time they spend together makes everything else bearable, but before long his eyes meet hers with more than friendship, reflecting what she feels. Which could ruin everything. Two Dominant men who see past her pretty mask and the shallow image she portrayed to the flashing cameras. A gentle attack from both sides that she can't hope to block unless she learns how to play. Ms. Sommerland scored the ultimate Hat Trick with Defensive Zone. A score for plot ~ A score for characters~ A score for conclusion. This is the second book in the amazing Dartmouth Cobra Series and it is an absolute winner!-Rhayne Riskae Guilty Pleasures Book Reviews
