Love Bites: Poetry in Celebration of Dogs and Cats Floyd Salas

The first time I met Floyd Salas--nearly three decades ago--he was accompanying a dog, a large, beautiful pooch named Sergie. The two had much in common: they were friendly, smart and tough if riled. As I grew to know Salas better and better, I learned that he feels incomplete without a dog or cat in his life. His poems can draw our attention to how precious interspecies relationships can be, and to how much we can gain if we give of ourselves. Few accomplished prose writers have also written poetry this powerful, and few writers have so well captured the essence of our relationship with those creatures we call pets.
