To atone for the sins he committed serving his country, ex-covert government agent Paul Janson is determined to save the world: one person, one mission, one redemption at a time. THE JANSON OPTION Paul Janson--a former Consular Ops legend known as "The Machine" for his deadly speed and accuracy--has a new mission. Sickened by the "sanctioned serial killings" ordered by the state department, Janson has left covert operations and is now a private security consultant. In partnership with deadly sharpshooter Jessica Kincaid, he only takes assignments that he believes will lead to the greater good. Is Allegra's kidnapping for real, or is she merely a pawn in her husband's machinations for control of the country? Janson and Kincaid quickly find themselves embroiled in a bewildering storm of plots and counterplots, and their fight to survive threatens to disrupt the entire region, and beyond...
