The Effortless Exercise System for Men: How to Get Bigger, Stronger & More Ripped Without Sweating Rich Bryda
Newly Updated & Expanded for 2013 - 16 FREE Bonus Reports Included!

If you're interested in getting super ripped as fast as possible...without steroids, good genetics or lifting a one weight (or even leave home!)... This new book will show you how an "elite" group of Russian military soldiers do it.

And you can do the same--*effortlessly*.

Here are some of the secrets you'll learn inside:

- **How to "trick" your central nervous system into packing solid slabs of muscle onto your back, arms and chest in 15 minutes daily without breaking a sweat!**
- A secret way of using your "neural impulses" to blow through any sticking points or plateaus.
- **How to rest so your body automatically floods your system with Growth Hormine.**
- Sample exercises you can start doing the second you get Effortless Exercise. (No thinking, struggling, or sweating... this is the easiest fastest working workout ever invented, period.)
- **Why the idea of "higher reps and lower weights" destroy your muscle gain goals.** (All the magazines teach this but unless you have perfect genetics this only keeps you smaller and weaker-do this instead.)
- A "can't fail" blueprint to turn your child (no matter how clumsy or skinny he is) into a superior athlete before middle school! (Want him to be a star? Teach him this...)
- **The single best and fastest way to build an impressive chest that's the envy of all the grunting meatheads in the gym.** (Hint: This has nothing to do with bench presses).
- The secret of getting a big, wide "V-shaped" back... with your pinky finger!
- **The main exercise convicts use to get bigger and stronger than some of today's top athletes!** (Here's exactly what they do-and you can do the same without leaving home or buying any equipment!)
- An ancient Indian exercise perfect for building explosive muscular endurance in a matter of days. (If you're an athlete or want to build athleticism into your body, do this simple movement and watch what happens!)
- **How to get in the best cardiovascular health of your life in just 5 minutes per day.** (No jogging, treadmills or equipment needed!)
- A secret way of using your TV set to grow huge arms! I'm talking at least 1 inch bigger in 1 month. (Do this right and you will probably end up ripping any tight t-shirts you own.)
- **Herschel Walker's secret workout routine.**
(Walker is one of the greatest athletes the world's ever known. Even at 49 he's 225 pounds and ripped, doing professional MMA since age 47! Here's how he did it... and how you can use his exact routine!)

The Effortless Exercise System is based on pure science and the work of some of the biggest and toughest "bad asses" this world has ever seen.

And it's so easy... You can do most or all the exercises at home during TV commercials, if you choose.
