Broken Pieces

Rachel Thompson

Broken Pieces Rachel Thompson

Broken Pieces is an award winning book about relationships, a study of women, and a book with heart. Vastly different in tone from her previous essay collections *A Walk In The Snark* and *The Mancode: Exposed*, *Broken Pieces* is a collection of pieces inspired by life: love, loss, abuse, trust, grief, and ultimately, love again. While still non-fiction, best-selling *Broken Pieces* is not humor at all. In Thompson's most intensive work to date, she opens her soul and invites the reader in for a visit. Thompson goes into those long buried rooms we lock up deep inside and shares a bit of her soul. *Broken Pieces* is vulnerable, raw honesty, and no-holds barred.

Not easy subjects -- love, loss, sexual abuse, date rape, grief -- but real ones, told in pieces (thus the title).

Poetry, prose, and essays to let you into one woman's life -- a searingly raw examination of topics most people avoid
