Itinerant Teaching: Tricks of the Trade for Teachers of Students with Visual Impairments Jean E. Olmstead

If you're a teacher of visually impaired students who is always on the move—handling a substantial caseload, and providing services all over the map to students of different ages with different needs—this is the book for you. Consider it your personal mentor to help you make the most of your day and manage the entire school year. It's a practical, must-have guide to efficiently organizing materials and times, scheduling and programming events and activities, working in teams, traveling, negotiating varying school environments, dealing with diverse caseloads—in essence, providing every possible tip and technique, strategy, and short-cut for staying in control of your ever-changing itinerant life.

This completely updated second edition contains new sections on:

Young children and children with multiple disabilities

Orientation and mobility

Assistive technology

Stress management

Collected tricks of the trade from teachers across the country
