*A Standalone Short Story with No Cliffhanger!*

Danielle loves to party. Her weekends are full of booze and drugs and lust, and that's just the way she likes it.

Well, most of the time. There are times when she wants more, when she looks inside herself and finds nothing but an empty void waiting to be filled. She needs excitement, something new to drag her from this endless cycle.

And that's exactly what she finds in Damien. He's something other than human, and she stumbles across him late one night at a club. He gives her a high better than anything she's ever experienced before with just his lips pressed against her neck. He introduces her to his roommate, Christopher, and things get even better and more intoxicating.

Suddenly she's delving into a world she's never known before, a world she wants nothing more than to be a part of - the world of vampires.
