Never play cat and mouse with a saber-tooth tiger.

When Kale Andrews gets disturbing mail from an obsessed fan, his brother drags him to Shifter Protection Specialists, Inc. Kale reluctantly agrees to have a bodyguard, but when a tall, muscular blond walks into the office emanating power and a sexy dose of danger, Kale's doubts about needing the man with him twenty-four hours a day quickly disappear.

The easy babysitting job Aleksi was promised quickly changes from strange mail to threatening deliveries, so Aleksi has to become creative to keep his protectee out of danger. Everyone knows models are self-centered and shallow, so why does being with Kale make him feel like he finally has a home? Since he's a saber-tooth tiger and naturally dominant, most people aren't strong enough to be with him in a relationship or even as a friend. Yet Kale seems to calm his beast, simultaneously exciting the man in Aleksi.

Neither man expects nor wants a relationship with strings, but as they grow closer, Aleksi realizes that Kale might be his mate. With an obsessed fan escalating toward murder, Aleksi isn't sure that even his tiger can keep his mate safe.

About the Author:

I'm SA Welsh and I write because the voices in my head keep making me. I love reading and I love letting the characters and stories in my head come to life in a book. I can't function in the morning without a cup of tea and when I'm not writing I'm reading. I have enough books to last me through an apocalypse but don't ask me to share them unless you are a fellow book worm and know how to treat and appreciate a good book. It is thanks to the writers that inspired me to put myself out there that I became an author and the editors that make sense of my chaos that I keep writing.
