Too much temptation...

Chelsea Collier wants nothing more than to save the old depot built by her railway baron ancestor and turn it into a museum—until it's sold out from under her.

Jasper Flint made himself filthy rich in the Texas oil business by the age of 35. Now he wants a quieter life and building a microbrewery in Marietta, Montana is the perfect project.

Neither one of them knows what to do with the passion that explodes between them. But Chelsea knows a man like Jasper will never stay in one place for too long. Can he convince her that this time, he means to stay?
