The Rivals of Dracula: Stories from the Golden Age of Gothic Horror

Bram Stoker's *Dracula*, still the most famous of all vampire stories, was first published in 1897. But the bloodsucking Count was not the only member of the undead to bare his fangs in the literature of the period. Late Victorian and Edwardian fiction is full of vampires and this anthology of scary stories introduces modern readers to 15 of them. A travel writer in Sweden unleashes something awful from an ancient mausoleum. A psychic detective battles a vampire that has taken refuge in an Egyptian mummy. A nightmare becomes reality in the tower room of a gloomy country house. Including works by both well known writers of the supernatural such as M. R. James and E. F. Benson and less familiar authors like the Australian Hume Nisbet and the American F. Marion Crawford, *The Rivals of Dracula* is a collection of classic tales to chill the blood and tingle the spine.
