Al Franken

The Truth (with jokes) Al Franken

Al Franken's landmark bestseller, **Lies (And the Lying Liars Who Tell Them): A Fair and Balanced Look at the Right**, was praised as a "bitterly funny assault" (**The New York Times**) that rang "with the moral clarity of an angel's trumpet" (**The Associated Press**). Now, this master of political humor strikes again with a powerful and provocative message for all of us.

In these pages, Al reveals the alarming story of how:

- Bush (barely) beat Kerry with his campaign of "fear, smear, and queers," and then claimed a nonexistent mandate.
- "Casino Jack" Abramoff, the Republicans' nearest and dearest friend, made millions of dollars off of the unspeakable misery of the poor and the powerless. And, also, Native Americans.
- The administration successfully implemented its strategy to destroy America's credibility and goodwill around the world.

Complete with new material for this paperback edition, **The Truth (with jokes)** is more than just entertaining, intelligent, and insightful. It is at once prescient in its analysis of right-wing mendacity and incompetence, and inspiring in its vision of a better tomorrow for all Americans (except Jack Abramoff).
