## Aristotle's Nicomachean Ethics Aristotle

The *Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called “the Philosopher.” Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably faithful to the original as it is graceful in its rendering.

Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole.

The *Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

### From reader reviews:

#### **Morris Reyna:**

What do you about book? It is not important along with you? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this specific Aristotle's Nicomachean Ethics to read.

#### **Kathy Graves:**

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their down time with their family, or their friends. Usually they carrying out activity like watching television, planning to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book might be option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the publication untitled Aristotle's Nicomachean Ethics can be very good book to read. May be it could be best activity to you.

#### **Bonnie Lugo:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Aristotle's Nicomachean Ethics can make you sense more interested to read.

#### **Susan Bondurant:**

A number of people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half elements of the book. You can choose typically the book Aristotle's Nicomachean Ethics to make your own reading is interesting. Your current skill of reading expertise is developing when you like reading. Try to choose easy book to make you enjoy to see it and mingle the opinion about book and reading through especially. It is to be 1st opinion for you to like to wide open a book and examine it. Beside that the book Aristotle's Nicomachean Ethics can to be your friend when you're feel alone and confuse in what must you're doing of these time.
