Recent gallop polls and Barna research confirm that although 86% of Americans claim to be Christian, a whopping 61% reject a literal Satan or hell. God's prodigals perish for lack of knowledge embracing only what they perceive as normal. the routine sound of their enemy's breath. From the pages of my own past springs forth a profoundly shocking and eye opening truth relevant to a multitude of prodigals; although my spirit became eternally engaged at the age of eleven, my soul had yet to receive the education so pertinent to its survival, causing a downward spiraling that nearly aborted my earthly life. To that missing remnant, I present this scroll of remembrance, present day evidence that Jesus Christ is still alive and well, faithfully keeping His covenant promises to everyone whose name is written in the Lamb's Book of Life. As a former prodigal, Merry Jo shares her insights into the desperate life and character of a prodigal and of the matchless, mysterious grace of the Father who has eternally foreknown and loved her. Her inspired messages continue to appear in anthologies, journals and military resources throughout the United States and abroad, instructing saints on their positional inheritance in Christ and warning the church of Satan's clear and present danger. This declaration of independence paves an avenue of grace destined to catapult struggling prodigals out of the house of bondage, safely into the Savior's waiting embrace. She has advocated for prodigals and their families since her miraculous deliverance and homecoming in 1983. Merry Jo is a pediatric nurse living in Asheville, North Carolina with her husband Tim and three children, Timothy, She'lah and Sariah. Breakthrough World Outreach Center is where they call home.
