THEIRS WAS A TALE OF TRAGEDY AND TRIUMPH

Four children abandoned in an orphanage. Two missing parents. One man whose hatred had divided a family, whose duplicity ended in murder, inextricably weaving all their lives together in a web of lies that only time could untangle.

SIMON GAULT

Jason would do whatever it took to bring down the corrupt shipping magnate. The supposedly upright citizen had betrayed Galveston during the war, causing untold deaths. But even more disturbing was his twisted desire to seduce innocent Elizabeth Huntington. No matter how determined she was to make her own way in the rowdy, war-ravaged city, Jason swore he would protect the daring young beauty from Gault, help find her missing family and then win her heart.
