HIGH TICKET EMPIRE - BUILD YOUR TRIBE, SELL HIGH PRICED PROGRAMS, GET HIGH-PAYING CLIENTS Michael Gladon

It wasn't long ago that I worked 16 hours a day, 7 days a week as a personal trainer charging €50 per session while being stuck in my business and making "no money". I was in a place of overwhelm and a serious lack of clarity and focus around what I wanted with my life and business.

I was the person who believed in hustling hard,

I didn't know how to advertise, so I became an advertiser.

I didn't know how to market, so I became a marketer.

I didn't know how to write, so I became a writer.

I didn't know how to sell and close deals, so I became a closer.

I didn't know how to build a business, so I spent endless hours to become someone who could have a successful business,

Endless hours of hard work, dedication, money and energy has been put into my self-education and growth.

Now... I know it's about hustling hard in "your zone", leverage, outsource and automate the rest so you can become more productive and rule your empire like a King or Queen.

This book is not for everyone, it's for the business owners, consultants, coaches and entrepreneurs who want to ascend to the next level, to grow and scale their business and most importantly to build an empire which is built on your core values, what you stand for so you attract your ideal clients, build a tribe of raving followers, sell high priced programs and get more high-paying clients.

Fast forward 3 years, I now own multiple businesses and build "my empire" around what I WANT, HOW I want it, with WHOM (Favorite people, staff, ideal clients and my tribe), and HOW MUCH I CHARGE for my services.

For example, I don't like social media so I barely use it, I am self aware that if I started being consistent on social media, that I could scale my business to multiple 7 figures. Most of my competitors spend 6 hours on Facebook alone to post, like and engage with people (**mostly their peers**), however it's a complete waste of time and they are doing it the wrong way and leave cold hard cash on the table, many of my clients used to do the exact same thing and now know better.

In this short book I will share with you the 4-step system to start owning who you really are and what you want from your business and life and how to build everything around it, so you can do whatever the F*** you like, work with the people you love, get more high-paying clients who gladly invest in your high priced programs and build a 6 figure business in 90 days. (**Which is highly possible**).

If you want to get high-paying clients, get paid premium for your services, build a tribe around your values

and brand who need your services to solve their problems, this book shows you how to build your empire and get paid, **while starting from scratch**.

I want you to step into your greatness, make the instant decision to build your empire and start selling High-ticket programs and get MORE clients than before.
