Autumn represents a time of plenty...from the excitement of new challenges that back-to-school time brings...to the innocent whimsy of Halloween...to the gathering of friends and family for a Thanksgiving feast. The 18 quilts and more than 20 coordinating small projects celebrate the fall. We have included door toppers, pillows, place mats, scarecrows, apples and pumpkins. Not only have we taken traditional quilt designs and made them new, we've also created original appliques to charm your heart and tickle your funny bone. This is the perfect way to welcome autumn into your home. We invite you to pick up your needle and sew your own harvest of quilts!
