This Kindle book is a guide to starting a profitable woodworking business. Like any other business, the woodworking business needs to be started and run based upon the best, practical business techniques and principles. While the content contained in this book is NOT a full-fledged blueprint, it is a serious "to-the-point" guide that if followed will form a solid basis for successful company growth. The author has had over thirty years of experience dealing with businesses of all sizes and has learned that sometimes the costs of a mistake in business is sometimes bigger than the benefits of accomplishment. It does not have to be that way!! The woodworking business is a natural for almost anyone to combine a little business know-how with a little woodworking knowledge to make a living either fulltime or parttime....with little risk and alot of satisfaction. The book also contains hyperlinks to a resources page on our website that will be updated with additional information from time-to-time, all aimed at those in our audience intent on successfully running their very own profitable woodworking business. Best wishes in all your endeavours. See the authors central page at: [amazon.com/author/joegillis](https://amazon.com/author/joegillis)
