Life is Beautiful is a compilation of various quotes, poems, snippets, revelations and statements. This material emerged as Lizette lived an amazing journey through the Dark Night of the Soul, and a mystical, esoteric, and metaphysical initiation into the world of the Medicine Woman. This book is the product of moments of intense insight, awareness, experience and understanding. The purpose for Lizette was to discover and enter a new realm into "Who am I?" and "What am I?". May the purpose extend to the discovery of who you are, who we are, and where this discovery will lead us. This book encourages you to be an active work of creation; to touch the dream within the writings of your heart, so you can live the greatest story ever told!
