My Life in the Time of the Contras

Bruce P. Cameron

My Life in the Time of the Contras Bruce P. Cameron

Bruce Cameron's story is a rare look at an insider's efforts for a path of peace in Central America, reforming the Nicaraguan contras (revolucionarios) who were fighting the Sandinistas, all while staying sane and not losing sight of key values.

Cameron's narrative begins in 1982 when he visits Managua, Nicaragua, with Representative Tom Harkin (Iowa). While a strong human rights advocate, he nonetheless moved closer and closer to what he calls the liberal contra. However, in 1985 Cameron found himself switching sides from liberal to conservative, at least temporarily.

Cameron takes you inside meetings where policy was formulated to ensure votes or obtain leverage. Many of these meetings included Ollie North, Elliott Abrams, and a representative of the CIA.

People whose paths crossed Cameron's are names familiar to those who recall "Iran Contra." They include Ollie North, Tom Harkin, Arturo Cruz, Daniel Ortega, Jim Wright Jr., Dave McCurdy, and Richard Secord. "[*My Life in the Time of the Contras*] deserves a wide readership. . . . A fine account. . . . An important literary work well done."--James C. Wright Jr., former Speaker, U.S. House of Representatives"

From reader reviews:

Kathryn Richardson:

What do you consider book? It is just for students since they are still students or that for all people in the world, the actual best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book My Life in the Time of the Contreras. All type of book is it possible to see on many solutions. You can look for the internet methods or other social media.

Lori Roth:

Book is to be different for each grade. Book for children until finally adult are different content. As we know that book is very important usually. The book My Life in the Time of the Contreras had been making you to know about other expertise and of course you can take more information. It is very advantages for you. The publication My Life in the Time of the Contreras is not only giving you more new information but also being your friend when you truly feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship with all the book My Life in the Time of the Contreras. You never feel lose out for everything should you read some books.

Joseph Lee:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this My Life in the Time of the Contreras can make you sense more interested to read.

Ann David:

What is your hobby? Have you heard in which question when you got learners? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person like reading or as reading through become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to include you knowledge, except your personal teacher or lecturer. You discover good news or update with regards to something by book. Amount types of books that can you go onto be your object. One of them is My Life in the Time of the Contreras.
