**She's fighting for her freedom...she never counted on finding her true mate.**

Wolf Shifter Kara Smith is on the run from her old pack. Her only goal – to escape the man she has been promised to and live on her own terms. The problem is that her chosen protector – the Alpha of the Colstone Wolf Pack – is sexy as hell, making her wolf sit up and pant, begging for a taste. Definitely not part of her plan.

Alpha James Colstone has given up any hope of finding his true mate, the other half of his soul...until sassy Kara walks through his door. Desperate to claim her, to touch and possess her gorgeous curves, he has to convince her he's not only good for protection duty...that he can give her so much more. But Kara doesn't trust easily anymore. What's more, her intended is hunting her – and he'll do anything to get her back.

**Will James' dominance scare Kara away...or will she learn that with the right man, true freedom lies in surrender?**
