Islamic terrorism is spreading world wide, soon to be in our neighborhoods. In the 1930s when Hitler came to power few spoke in opposition against him, the result was WWII. Today our Governments and the media, who both subject themselves to political correctness, are not looking into the real roots of what causes the growth of Islamic terrorism. It is not poverty, the poor man cannot afford guns, rockets, and bombs. Neither is it being uneducated, a bombing in Scotland was orchestrated by doctors. The vast majority of terrorists today are Muslims, why, and what do Christians have to do with it? Whether one believes in God or not, understanding what your neighbor believes, and why, is of paramount importance to peace in this ever-shrinking world. Multiculturalism cannot work when one of those culture's objectives is domination. Violence is not the answer, education is, but are we willing to make the effort to understand or are we going to see WWII? This book is a simplified comparison of the books that Muslims and Christians respectively submit themselves to, the Qur'an/Koran, and the Bible.
