Did you know that the Bible has more to say about grandfathers than even fathers? But when was the last time you heard any teaching on the biblical role of grandfathers? If the answer is "never," then you may be another statistic in a culture that has forsaken biblical family life. The truth is this: rather than retiring from responsibility, "spending their children's inheritance," or being relegated to live their final days in solitude, the Bible pictures a world in which the greatest spiritual contributions in a man's life come when he achieves the status of grandfather. Doug Phillips addresses with boldness and beauty the phenomenal vision of biblical grandfathering. Whether you are a grandfather, know one, or will someday be one, this recording is important for your listening library
