Benito Pérez Galdós

Tormento (Spanish Edition) Benito Pérez Galdós

Tormento es una novela del escritor español Benito Pérez Galdós publicada en 1884. La novela transcurre en Madrid durante los meses finales de 1867 y los primeros de 1868, en el periodo que precedió al destronamiento de la reina Isabel II y el inicio del período denominado Sexenio Democrático. En ese marco histórico narra Galdós, con tono casi humorístico en su presentación literaria y cierto ritmo de folletín con final feliz, las desventuras del trío esperpéntico formado por una joven huérfana (Amparo Sánchez Emperador, alias "Tormento", asediada por la "pasión sacrílega" de un sacerdote sin vocación (Pedro Polo Cortés), y salvada por un indiano y pícaro redimido (Agustín Caballero). El triángulo amoroso/tormentoso se complementa con la presencia de un cuarto personaje, Rosalía Pipaón, nota 1 más conocida como "la de Bringas" por ser esposa del modesto empleado y "aspirante a canonjía" Francisco de Bringas, representantes del "quiero y no puedo" de la burguesía madrileña de la época. En la estructura engañosamente folletinesca de la novela, Rosalía de Bringas oficiará como "mala del cuento", intentando seducir al indiano Agustín para una de sus hijas, y "empujando al arroyo" a las hermanas Amparo y Refugio "Sánchez Emperador"
