## **Code Name Angel (GMJ Spy Thrillers Book 7)** George M James

One of the first major Egg Breaker operations was to recover lost South African nukes on its way to Iran or Al-Qaeda, we are not too sure. Major Foxtrot under command of his then issued girlfriend and handler, Angelique Dawson, has to recover the weapons. Angelique is causing Foxtrot grey hairs being "otherwise." It is a classic Special Forces story which never reached the newspapers. This book follows GMJ Book Six, Code Name Foxtrot and takes place historically before the Egg Breaker War Series or GMJ 1 to GMJ 5. If you wish to read about covert and Special Forces operations in Sub Saharan Africa, the GMJ Books are the place to start. You will learn about covert operations, Special Forces techniques and military history not known outside the select few and the GMJ Books are based on facts. Code Name Angel is the seventh book in the popular GMJ Series.
