Kate Jennings hasn't seen or heard from her father in fifteen years. When a genetic fluke makes her a perfect match for her half sister's bone marrow transplant, she travels to Montana to help save her sister's life. With a new family to meet and old wounds to heal, Bozeman is the last place Kate wants to be.

Dan Carter doesn't trust easily. The Deputy Chief of Police has learned the hard way that everything in life has a price. When Kate arrives in Montana he does everything he can to keep her there, even if it means spending time with a woman who'll end up taking more than she's willing to give.
