I made the decision that my ancestral heritage is indispensable for my future success that leaves behind a legacy. So in this book, I embark on the quest to discover the meaning of my name, the culture the Creator birthed me into, and why as a Christian Catholic I have been taught to despise the culture that the Most High created me in. Do you find yourself stuck between Christian Religion and Ejagham/Banyang Culture? This book is for you. Musings of a Many Ngore uncovers Biblical passages and shows you the history of encounter between Christianity and Manyu land. Have you found yourself wondering about your identity and the meaning of your name? This book is for you. Musings of a Many Ngore takes you along to explore my findings of our Ejagham/Banyang origin from ancient Upper Egypt with tangible proofs you can judge for yourself. Have you found yourself embarrassed when asked by others about your ancestral heritage? This book is for you. Musings of a Many Ngore draws you into my experience of how a shift in mentality can fill you with the knowledge that empowers you for future action. Read this book to find out what our ancestors left for us, for without knowledge we perish. The call of Moses in Exodus 3 was to tell the Hebrews to return to their ancestral covenant done with Abraham, Isaac and Jacob as the only sure way to true worship and flourishing. Musings of a Many Ngore makes the call to re-indigenization from theology so that you will also see reason, even from the Bible, to make the same decision. Musings of a Many Ngore is of outstanding importance, interesting, informative and educative. It is the first step to making Manyu great again. It has a place in the shelf of every well meaning Manyu son and daughter .
