One Urge, One Plea, Keep Me Trilogy (3 Book Series) Scarlet Wolfe

From Book 1: In the first novella to the One Urge, One Plea, Keep Me Trilogy, romance author, Alayna Wynn, is anxious over being a bridesmaid in her best friend's wedding. She's also cynical, having sworn off men two years prior when the only relationship she had ever known ended abruptly.

Alayna has no idea her anxiety will be brought to a higher level when she meets the groom's friend, Damon Lear, at the rehearsal dinner. She's surprised to learn he's a famous writer of erotica and also the owner of one of the largest publishing companies in the world. His mere presence has her fleeing to the restroom to calm her nerves.

Damon is taken aback by his instant desire for Alayna. A secret buried in his past keeps him out of relationships and into behavior that is taboo to many, but he wants her and is willing to set his strict rules aside for one memorable night. After a failed attempt at propositioning Alayna, he's determined they'll at least share one heated kiss until they meet again, and he doesn't hesitate to assure her they will.

Three months later, Damon gets his opportunity to seduce her when he rescues Alayna, keeping her from being stranded in an airport for days. Unable to leave Damon's penthouse, she discovers it is impossible to resist the sexy, mysterious man who wants nothing more than to make her submissive, giving him the control he needs to fulfill his fantasies.

Alayna finds herself desperately wanting to please a man she knows little about while Damon struggles with his inability to let her go. What will happen when Alayna asks for a little more than Damon is willing to give?

"You'll be stronger, Alayna, having explored the part of you that you've been afraid to know. You'll beg me not to stop, and when leaving here, you'll believe you're the gorgeous, sensual being I see in front of me." - Damon.

This novella is for mature audiences due to explicit sex scenes and language.
