The more than 7 million vegetarians and 3 million vegans in the United States alone are proving that chowing down on planet-friendly fare not only helps them look and feel better, but it can be delicious, too. In her debut cookbook, Karma Chow creator and celebrity chef Melissa Costello shares an exciting collection of 125+ recipes that will be a welcome addition for anyone already following a vegetarian or vegan lifestyle or for the growing number of people embracing more plant-based meals.
