Trickster Noir (Pixie for Hire) (Volume 2) Cedar Sanderson

After the battle of Tower Baelfire ended, Lom lay dying. Bella was tasked with not only the job she never wanted, but the one she did. Could she keep Lom alive long enough for him to come to the rescue when their kingdom needed them? And what did Raven, mysterious trickster spirit and honorary uncle to Bella, want with them? If the threat was big enough to have the trickster worried, Bella knew she needed to have Lom at her side. Underhill might look like a soap-bubble kingdom, but Bella and Lom knew there was a gritty underside. Why else would fairyland need a dark man like Lom willing to carry a big gun and be the Pixie for Hire?
