Taking the tram to the summit of the highest mountain in the region is a special experience that you can only find in the town of Llandudno in north Wales. Nostalgic seaside resorts, the wild mountain landscapes of Snowdonia National Park, steep cliffs on the Irish Sea, green landscapes and almost subtropical gardens are just some of the attractions of this tiny country. The rich history of Wales is evident in its many castles and prehistoric sites, including the "island of the Druids" and other sites across country. It has always been a popular holiday destination for the British, though many Europeans have only just discovered its many hidden charms.
