When the Heart Heals (Sisters at Heart Book #2): A Novel Ann Shorey

In a country healing from war, can a young woman find healing for her heart?

Courageous and unconventional, Rosemary Saxon served as a nurse during the Civil War, a service that has caused most women in town to regard her as unfeminine and even downright vulgar. Although she would like to put that part of her life behind her, she needs to support herself. She takes a nursing position with Dr. Elijah Stewart, but whenever they are together they always seem to do or say the wrong things. When someone threatens Rosemary, will she find the courage to stand, or will she leave town--and Elijah--forever?

With tenderness and grace, Ann Shorey invites you back to the town of Noble Springs, Missouri, for an engrossing story of love's tentative first steps and fragile future in the face of opposition.
