**Anna Karenina (Oxford World's Classics)** Leo Tolstoy

**'Love...it means too much to me, far more than you can understand.'**

Anna Karenina is a beautiful and intelligent woman, whose passionate love for a handsome officer sweeps aside all other ties - to her marriage and to the network of relationships and moral values that bind the society around her. Her love affair with Vronsky is played out alongside the developing romance between Kitty and Levin, and in the character of Levin, closely based on Tolstoy himself, the search for happiness takes on a deeper philosophical significance.

One of the greatest novels ever written, *Anna Karenina* combines penetrating psychological insight with an encyclopedic depiction of Russian life in the 1870s. From high society St Petersburg to the threshing fields on Levin's estate, the novel's intricate labyrinth of connections is deeply involving. Rosamund Bartlett's new translation conveys Tolstoy's precision of meaning and emotional accuracy in an English version that is vivid, nuanced, and compelling.

**ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
