Melinda Clayton

Blessed Are the Wholly Broken: Book 1 (Tennessee Delta Series) Melinda Clayton

In her latest novel, *Blessed Are the Wholly Broken*, the award-winning author of *Appalachian Justice* weaves a harrowing tale of a family in the midst of self-destruction.

After the heartbreak of losing their newborn son to a previously undiagnosed genetic condition, Phillip and Anna Lewinsky managed to patch their lives back together and move forward, filling the emptiness with friends, work, and travel.

When Anna unexpectedly finds herself pregnant again at the age of forty-three, Phillip is thrilled to have a second chance at fatherhood in spite of Anna's objections.

But as desires clash, misunderstandings abound, and decisions are irrevocably made, the foundation of their marriage begins to crumble until only tragedy remains.

In a story ripped straight from the headlines, *Blessed Are the Wholly Broken* explores the boundaries of unresolved grief, postpartum depression, family loyalty, and friendship.
