Chaucer's Legendary Good Women (Cambridge Studies in Medieval Literature)

Florence Percival

Chaucer's Legendary Good Women (Cambridge Studies in Medieval Literature) Florence Percival
Chaucer's Legend of Good Women is a testament to the disparate views of women prevalent in the Middle Ages. Dr. Percival contends that the complex medieval notion of Woman informs the structure of the poem: in the Prologue Chaucer praises conventional ideas of female virtue, while in the Legends he demonstrates a humorous skepticism, apparently influenced by a contemporary antifeminist tradition. This is a comprehensive account of the Legend's interpretative puzzles, which does not ignore the element of political writing and adds to a close and nuanced reading of the text an examination of literary, historical and social contexts.
