Keeping My Sister: a story of sibling survivalry Nancy Paul

"My sister was my best playmate and nemesis equally, as only siblings can be to each other."

This is the story of two parallel lives on divergent paths, separated by miles and happenstance...

A journey through valleys of darkness and shadows to light and life on the other side...

Two connected hearts--part of one grand, redemptive plan.

This is the story of the God who never abandoned us.
