Sweet and innocent, young and tight - The Little Princess trilogy will leave your mouth watering.

Darla's mother left a year and a half ago. Without a word of goodbye, she ran out and left her daughter in the care of her second husband Jack.

Darla's not too upset, she likes Jack... a lot... and her mother was strangely cool and aloof to her for a long time. Darla thinks Jack was treated badly by her mom and was surprised they lasted so long. He calls the pretty 18 year old his "princess" and looks after her better than her mom ever did. Darla knows he has taken her under his wing because he feels guilt about the breakup - and that's okay - because now she gets him ALL to herself. You see, under her gorgeous and innocent exterior, Darla harbors desires that would shock the man of the house if he ever found out... and if she has her way, he will.

The Little Princess Box set contains all three Little Princess Stories, it is steamy adult fun and should be read with an open mind it is 20,000 words long.
