By the author of the beloved Schmidt series, *Memories of a Marriage* is a penetrating look at class and privilege, shifting from Paris to Manhattan, Long Island to Newport. Mourning his wife and daughter, and on the edge of old age, Philip reencounters an astonishing woman from his past: Lucy De Bourgh, an heiress who was once a passionate debutante and the intimate of many men, including Philip himself. As she reveals the startling details of her failed marriage to Thomas Snow—a townie turned powerful international banker, liked by many but to her a loathsome monster—Philip discovers a story that will challenge his assumptions about those he has known, admired, and desired. A triumph by an author expert in revealing the good breeding and bad behavior of the moneyed elite, *Memories of a Marriage* is an eloquent and irresistible book that explores all the varieties of love and the very concept of truth.
