Secret of the Veda, New U.S. Edition Aurobindo Ghose, Sri Aurobindo

Sri Aurobindo breaks new ground in interpreting the ancient Vedas. His deeper insight into this came from his own spiritual practices for which he found vivid allegorical descriptions in the Vedas. Sri Aurobindo was able to uncover the mystery of the double meanings, the inner psychological and yogic significance and practices and the consistent, clear sense brought by this psychological view of the Vedic hymns. Finally, the true inner meaning of the Veda and its relevance to the seeking after self-realization and enlightenment is revealed.
