Give the gift of love this holiday season with five romantic, magical Christmas stories-and feel as if you've just been kissed beneath the mistletoe. Originally published in separate anthologies, and out of print for many years, these Christmas-themed novellas by legendary Regency romance author Barbara Metzger are in one volume for the first time ever! The spirits of a knight and his lady must help their descendant find a bride in order to break The Christmas Curse. A lord without a fortune becomes an unwilling guardian to an orphaned girl when he provides A Home for Hannah. A down-at-the-heels benefactor finds that a single penny-his last-is worth more than riches when it brings him face-to-face with a breathtakingly beautiful Christmas angel in The Lucky Coin. On the most magical night of the year, a practical young widow makes a wish. When fate sends her an old magician claiming to be The Enchanted Earl of her dreams-and wanting a kiss-she wonders if, just once, she should let herself believe in magic.... For Christmas, two little angels hatch devilish plans to get an elusive lord to marry their beloved guardian in Wooing the Wolf.
