How to Create the Perfect Eyebrow is the definitive and ultimate source for teaching students and beauty professionals how to make any pair of eyebrows beautiful, symmetrical and model-like. Most women alter their eyebrows themselves or have them altered professionally and, generally, the results are not as satisfactory as hoped. This text solves that problem and makes beauty professionals experts in eyebrow techniques, increasing customer satisfaction and profits. This text delivers all the pertinent information needed to confidently enhance and perfect any pair of eyebrows. It features basic and advanced methods of measuring to properly place an eyebrow, including essential information regarding eye set, arch placement, beginning point, ending point, long-standing rules and corrective techniques. The student will gain a thorough understanding of how to assess facial zones, face shapes, facial features and the eyebrows to ultimately determine the optimal eyebrow shape or shapes for a client's face. This is a text and workbook in one that contains a wealth of charts and quizzes and a final test, giving students the opportunity to test the knowledge they have gained. By actually measuring, recording and drawing in order to properly assess the different features of the eyebrows and the face, the future beauty professional can confidently create the desired look. More than 100 photographs and other artwork enhance the student's learning and retention. Through the study of this extraordinary learning tool, the student will come away from this text a Master Eyebrow Specialist.
