I'm a secret; I'm like the hypnosis I'll be teaching you in this book. You see, your little girl has hidden secret drivers that they don't even know about. Most men don't know about them either.

No man wants to be with a girl they cannot control, submit, and believe 100% without doubt, the girl belongs to them, and only them. This book is something special. You will learn how to master control over your girl and through making her relive a past childhood experience, resort back to being the good little obedient girl she once was. When she gets to that place you'll set an anchor to have an instant on an off light switch to reset her back to being that little girl again, anytime she starts to act up, disobey, or not submit to your every wish. I'm telling you a lot here; you need this book more than you know.

Tired of failed relationships? Tired of getting crapped on by girls? Tired of being taken advantage of? Tired of being pathetic?

Maybe it is time you started being a man. It is time to step up your game and master girls at once, so you can live a happy life and keep your girl happy too.

In this book you'll learn how covert hypnosis and hypnotic persuasion and how to apply it so you can indirectly hypnotize, manipulate, control, and train any girl you want to be fully obedient, subservient, and ready to do what you say. The best part she'll be happy assuming the female girl role and happy to obey the man who dominates her and controls her completely. It's a great feeling knowing you're in charge and knowing your girl has become 100% dependent on you, afraid to leave you, unable to make a single decision without your approval. A girl needs to be a girl and now you can make her one.

Girl training takes a little bit of time and little knowledge to know what to do, but in the end it's all worth the effort, because you'll be happy and so will she. It's time for you to be a man.

When you stop to think about it; there are so many benefits you'll gain from reading, learning, and applying this knowledge. You'll finally learn how to step up and be a man, and quit being a wussy. Your girl will never be more sweeter to you. It will melt the strongest man's heart and force him to recognize and love his girl for all the sweetness she doles out to him.

This book will change your entire philosophy on a girl's role and a man's role in a relationship. What you've been taught and believed hasn't worked out for you. This philosophy, though controversial, will make you and your girl the happiest couple on the planet.
