Kings & Queens of England & Great Britain

Eric R. Delderfield

Kings & Queens of England & Great Britain Eric R. Delderfield

This enlarged and revised edition of the classic guide first published in 1966, provides insights into the history and rich heritage of England and Great Britain through the lives of all the monarchs, from the early Saxons to Elizabeth II. The character of every monarch is discussed, together with the principal events of their reign. For easy reference, each section begins with a listing of all the essential facts and dates, including key biographical details. Successive royal dynasties are clearly indicated, with genealogical trees to show how the hereditary line has been perpetuated. In addition, the reader finds out about the British royal family today, their response to recent changes, challenges and tragedy, including the death of Diana, Princess of Wales, and the reaction of the British people.
