In a world of danger, where powerful forces hold sway, equally formidable powers must arise to maintain balance. The ultimate arbiter of this balance is Fate. The world of Zir'An is the product of seven godlike forces, the final expression of their creative abilities, but the world endures because of the intricate weave of circumstance that is Fate. Though the permutations of Fate may seem complex, they revolve around a very simple principle: bind together individuals through chance and circumstance. For Fate is only ever about individuals. Ultimately the destruction or renewal of Zir'An will come to rest on the decisions of a few individuals. Detailed setting that combines magic and technology in an expansive world of beauty and horror. Build characters from a vast array of character packages, creating a unique history before the game even begins! New Finesse Game System allows turn-to-turn customizable cinematic action limited only by your imagination. Two totally new, self-directed magic systems: Rune Magic and Shadow Magic, as well as hundreds of NPCs, monsters, weapons, armor, Items of Power and treasures.
