Time To Show-RELOADED-Time Will Reveal part 6 From the onset of this series, the Cleveland crew aka #Crew4Life, has shown their TRUE strength during much adversity. The crew men have always been their financial and physical strength. While the source of their mental strength comes from the undying support of their female mates and matriarchs. The Cleveland crew is now, 4 generations strong and 3 major cities grown. Their main goal is to remove any and all trouble from their creed before the 4th generation is old enough to take charge. The majority of their 90's adversity was handled and destroyed before the new millennium. With 1 exception. A female named Angelise "Angel" Taylor. She reared her head during the coming of age of the 3rd generation of this crew. But Angel wasn't the first nor the largest adverse crew problem. The main crew adversity started from 1 source. Jacob Denard Johnson, Sr. aka Old Jake. Old Jake's Willie Lynch reputation began decades before Ajay and Ebony's crew, the 3rd generation, was born. But Old Jake's demise, along with Angel Taylor's, is now the main goal of this crew. The ENTIRE crew. Angel Taylor has been in prison since 1995, serving a life sentence for her attack on Ebony, which took the life of the female child Ebony was carrying. Angel's death has been at the forefront of Ajay's mind and the 3rd generation [Big Chill's crew] since she was sentenced. Now that Angel has been relocated to a Cleveland city jail, with a release date pending, the ENTIRE crew has started to formulate her last days. While at the same time, making plans to assure that Old Jake doesn't turn another year old, either. The Crew are wise enough to know that in order to rid themselves of any REAL problems, they must bond together as 1. While using those crew members who attract the most attention, as the forerunners. Anthony "Ajay" Jackson, Sr has been a forerunner since the 80's. But he has added an addition to the crew which will guarantee the solving of both crew problems. His son, Anthony Devante Jackson, Jr aka Lil Ajay. Lil Ajay came into this world with a mission. Peace, Loyalty and Respect for his mother, his family and his crew. Time To Show-RELOADED starts where Time To Feel-RELOADED ended. Lil Ajay has 5 little sisters now. He nearly mirrors his father, who has 4 sisters. But of Ajay's sisters, 1 is older. The same as his father, big Al. So in Lil Ajay's heart, Angel deprived him of his birthright. And for that, Lil Ajay's goal is to take her last breath. It's time to show that this crew comes into the world with a purpose and Time To Show-RELOADED will do just that. It's Time To Show how strong and loyal this crew still are, when it comes to protecting their history, their females and their rights to life. Old Jake has spent decades trying to do away with the crew, who's pride pushed them into overcoming adversity since discrimination was on the front page. The year is 2006. There will be many changes for the crew and the nation too. Senator Barack Obama will announce his run for President of The United States of America. The 1st born of the crew's 4th generation will become a husband while Ajay Sr is looking toward his retirement from the NBA. The strength of the crew is everlasting but crew beef's die hard. The crew knows, that in order to assure a peaceful life for their 4th generation, they must remove any and all adversity. Family, Love & Loyalty is a MUST for the crew to remain strong. For them to live peacefully, all adversaries must be conquered. Which means, Old Jake and Angel will have to go. Time To Show-RELOADED-Time Will Reveal part 6.
