Halloween - the most horrifying of the ancient pagan holy days.

While Christmas, Easter, and virtually all of the holidays have a pagan origin, the most obvious of these pagan holidays is Halloween. "All Hallows' Eve," or "Hallowe'en," was originally a festival of fire and the dead and the powers of darkness.

This is not merely a history lesson, but is a warning. The study of the history of Halloween is necessary for all concerned Christians, for the practice of observing Halloween honors a force that is as real today as it was two thousand years ago.
